**Petition for Arbitration of the Interconnection Agreement
Between BellSouth Telecommunications, Inc. and XO
Tennessee, Inc. Pursuant to Section 252(b) of the
Telecommunications Act of 1996**

DATE: October 21, 2004

On August 18, 2004, the Pre-Arbitration Officer in this Docket requested the Parties to file suggested dates for mediation or, if the Parties agreed that mediation was not appropriate, to file proposed dates for a Status Conference for the purpose of deciding how to proceed in this Docket.

On August 26, 2004 the Parties requested additional time, until September 8, to notify the Pre-Arbitration Officer as to whether the Parties would request a mediation session or a Status Conference.

No filing has been submitted in this Docket since the Pre-Arbitration Officer issued an Order on August 27, 2004 granting the Parties' requested extension of time. Therefore, the Parties are directed to file in this Docket a proposed date for mediation or a date for a Status Conference no later than **Friday, November 5, 2004**. Failure to comply with this directive will result in this matter being placed before the Arbitration Panel for consideration of dismissal.
